Pre-Class Instructions

Students must be in place and ready to go by 9:30 am.

Please have your computer with Bernina Software Designer Version 9 loaded and ready to go. Bring a mouse!

This class presents different methods of digitizing portraits. We will look at the Bernina V9 Color Photostitch program as well as several ways can manually digitize a photo. We will also work on digitizing a "fur look" for pet portraits.

Files and handouts will be provided in class.
