You may choose one miniature Christmas Design and one for autumn. A miniature design is approx. ¼ inch by 2 inches. You may already have designs in your stash you would like to use. Here are some of my favorite sites.

The lady that developed these designs is going to shut down her website in 2024.

The collections are \$5.00 each, contain multiple designs and they stitch out beautifully. Most of them are the perfect size for card making.

The dove on the Christmas card came from her collection called "Christmas Collection 2"
